Subject: re: Bertolami - 40 Sudbury Road

Dear BoS:

This is a quick note to point out that the 40 Sudbury Road project presented in the BoS packet below is not the concept drawings set for 40 Sudbury Road, dated Feb 14th 2012 which the DRB actually reviewed and commented on at their last meeting of February 15th.

The concept presented to the DRB last month was a mixed-use one with a residential component; this appears to be a commercial building with 4 garage bays and no residential component.

In summary, the previous DRB comments, included in the BoS packet, may not reflect the revised plans.

Sussman+ Montella for the DRB

Regrettably, no members of the DRB are able to attend the BoS meeting tomorrow night.
